

technical investment writer

- **Highly competitive salary + bonus**
- **\$40 billion in assets under management**
- **Permanent or contract role**

Ranked in the top 20 asset managers globally, this high profile financial services giant offers a wide range of investment management services. The Australian operations have over \$40 billion in assets under management with a strong presence across Asia-Pacific. This is your opportunity to join the organisation at a time of expansion as it moves into the next phase of its growth, and gain exposure to a broad range of asset classes.

Your role within the Distribution & Marketing unit will be to create high quality request for proposals (RFPs) and other investment documentation for asset consultants, research houses and clients/prospects both locally and throughout the Asia-Pacific region.

You will have an extensive background in Investment Technical Writing or Technical Services and ideally have in-depth knowledge of investment management principles.

From this marketing focused organisation renowned for its excellent working conditions you will be exposed to complex and challenging work and gain an outstanding suite of benefits and bonuses.

If you believe you have the necessary skills and personal attributes, contact **Blaise Davis Habgood** in our Banking & Finance Division or forward your resume to brg_20d@bradmanrecruitment.com quoting **reference no. 27869BH**
