

business development manager wind turbine aftermarket

- **Establish a New Business**
- **Large International Engineering Group**
- **Sydney, Melbourne or Brisbane Location**

This well known international engineering group is aggressively expanding their Wind Turbine Aftermarket service around the world. Due to an existing national presence and the growth of the Wind sector, Australia has been identified as an ideal market.

In this National role you will develop the business including developing local resources (facilities, organisation etc), building then managing the customer base, preparing business plans and tenders to win long term business.

You are well networked in the Wind Energy sector and have engineering credibility. You have a business development background and a track record of growing businesses.

If you would like to be part of the industry of tomorrow please call **Julien Lacave** in Sydney – **02 8243 0500** or **Michael Green** in Melbourne – **03 9225 9225**. Alternatively, submit your resume to the address below.

Bradman Recruitment – Level 6, 60 Carrington Street Sydney 2000.
