

specialised capital executives

- **Two Senior Roles**
- **Leading Institutional Bank**

This Institutional Bank has an impressive and fast growing deal pipeline. Working across the infrastructure, PPP and property sectors, their focus is on advising, structuring and underwriting acquisitions for its funds. They have completed numerous high profile transactions and continue to grow in its targeted sectors.

Director

In this varied and challenging role you will originate and lead the execution of transactions that will grow this specialised business. Using your Origination, Project Management and transaction experience and ability to build effective internal and external relationships, you will ensure transactions and plentiful, run smoothly and are complete, on time and budget.

Associate Director

You will assist transaction leaders plan and execute mandates by preparing transaction and offer documents. You are a self motivated individual who is passionate about conducting detailed modeling and financial analysis, which your team will depend upon to successfully execute valuable transactions.

You will ideally have a background in investment banking, corporate finance, project and structured finance, or strategy consulting or perhaps you are looking for your first move out of professional practice.

If you would like to discuss these exciting roles then please call **Michael Green** or send your resume to brg_6@bradmanrecruitmetn.com
